jim.lovsted@kidder.com

Jim Lovsted leads Kidder Mathews' asset services capabilities from the firm's office in downtown Seattle.

Jim Lovsted has over 35 years of experience in the real estate industry. He is directly responsible for the management, leasing, and value enhancement for a 5.5 million square foot portfolio of industrial, office, and retail properties, providing comprehensive management and leasing oversight.

Prior to joining Kidder Mathews, Jim spent ten years as a senior asset manager for Martin Smith, Inc., managing a 1.5 million square foot portfolio of institutional and private investments. He was previously vice president of SUHRCO Management, responsible for leasing, sales, and all aspects of management of a mixed-use portfolio comprising over 350,000 square feet.

EDUCATION

Jim graduated with a Bachelor's degree in economics from the University of Washington and currently holds a broker's license. A Certified Property Manager (CPM), Jim is an active member of NAIOP, BOMA, IREM, and the Washington Association of Realtors.
