

MARC BONANDO, SIOR

Senior Vice President, Managing Director

Marc Bonando is proudly focused on industrial real estate within the high demand South Bay and Greater Los Angeles marketplace including all facets of sales, acquisition, leasing, investment and property management. His highly successful and respected career in commercial real estate stems from over 17 years of faithful service to his clients, industry and community. In his time, Marc has completed more than 300 transactions totaling over 5 million square feet.

Marc has earned a reputation as a market expert with his variety of clients, including major corporations, institutional owners as well as small businesses throughout the region. Central to Marc’s strength is his firm belief in the value of comprehensive and timely market information. Armed with timely data and his expertise in various aspects of the goods movement industry, Marc is able to understand his clients’ critical needs and assist them in making real estate decisions that support their overall business strategies. A firm believer in collaboration, Marc has also developed strategic relationships with experts in finance, appraisal, architecture, construction and materials handling to bring their collective expertise together in the interest of his clients.
