As a Santa Monica native and University of California Irvine alum, Barak Cassilly has used his local knowledge to specialize in multifamily investments on the Westside of Los Angeles.

Prior to joining Kidder Mathews, Barak and his team were ranked as the #1 RE/MAX commercial team in California in 2019, 2020, and 2021, and #4 in the nation in 2019 and 2021.

With a client-oriented business plan, Barak expanded to the Greater Los Angeles region. His work focuses on helping owners, developers, and landlords make educated decisions regarding their assets, whether through purchase, disposition, or leasing.

In his spare time, Barak enjoys playing soccer and is an avid surfer, a sport which he has been fortunate enough to enjoy in beautiful destinations such as Bali, Costa Rica, Brazil, and Hawaii.
