

JUSTIN DORNBLASER

Associate Vice President

Justin Dornblaser is a rising star in the Southern California commercial real estate scene. In just a few short years, Justin has made a name for himself through his passion, determination and commitment to serving his clients' interests to be best of his ability.

A graduate of Chico State University where he studied business and marketing, he has hit the ground running in building his client roster. He approaches each deal with a can-do attitude and the personal mission to provide his clients with the highest quality level of brokerage services. The result is a growing number of lasting professional relationships that will continue to strengthen for years to come.

Specializing in industrial brokerage services including sales, leasing, tenant and landlord representation, Justin takes pride in providing a full-service, 360° approach sharing resources and relationships with his clients to solve issues and deliver results. Throughout his real estate career, Justin has used his market knowledge and expertise to complete numerous multi-million-dollar transactions throughout the Orange County and Greater Los Angeles.

Prior to joining Kidder Mathews, Justin was an associate at Heger Industrial. Justin currently resides in Hermosa Beach, CA, and his personal retreats from real estate include golfing and exploring the world through travel.
