LIC N° 02044116

Robert Feathers specializes in tenant representation and partners with Brian Bennett to provide real estate consulting services to clients across the country.

Robert is a senior vice president and shareholder at Kidder Mathews. He is a leading expert in representing industrial real estate users during lease renewal negotiations, sales, and relocations nationally. Since joining, Robert has facilitated over 3 million square feet of sale and lease transactions, with a total consideration exceeding \$325 million. Robert's clients recognize him for his unparalleled work ethic, energy, attentiveness, and extensive market knowledge.

Before joining Kidder Mathews, Robert was a digital account coordinator with CNN Turner Broadcasting in Century City, California. He also gained sales representative experience working for the Los Angeles Clippers, where he was the top revenue generator among all inside sales representatives.

EDUCATION

BA in communication, with an emphasis in business management, University of Southern California
