Libby is a commercial real estate professional specializing in client representation for the buying and selling of multifamily properties and leveraging strategic market analysis and custom marketing materials to support investment decisions.

Libby earned her MBA from Pepperdine's Graziadio Business School and was actively involved in the Pepperdine Real Estate Association. She also holds a bachelor's degree in business administration from Pepperdine University's Seaver College.

Her industry experience includes internships with Marcus & Millichap, CREOP, and O'Brien Marketing, where she gained hands-on expertise in property valuation, marketing strategy, and business analytics. Outside of work, she enjoys beach volleyball, skiing, playing guitar, and tennis.

EDUCATION
