

NIK HARMON

Vice President

Nik Harmon is an industrial specialist in Northern California. In 2016, he joined a team with Sean Gallinger and Jay Richter and quickly established value by streamlining processes and increasing efficiency. He, with the support of his team, strive to provide the most cutting-edge insight and market knowledge to their prospects and clients. In the last three years, he has closed over 75 deals representing landlords, tenants, buyers, and sellers.

Nik deals with general industrial product with a specialty in cannabis approved properties. He is recognized as a commercial property Green Zone expert and has educated many business and property owners on the intricacies of the industry. His strong negotiation skills and transparency have earned him the trust of his clients and colleagues.
