Xavier Hendricks is a dedicated senior associate in multifamily investments across Orange County and San Diego County.

He holds a bachelor's degree in business administration with an emphasis in real estate from Chapman University, along with a minor in leadership. During his academic career, he actively participated in real estate organizations at both Chapman University and the University of London, further refining his industry knowledge and professional network.

With six years of experience in the industry, Xavier has built a reputation for his strategic investment insights, meticulous market analysis, and unwavering commitment to client success. His strong analytical background coupled with in-depth valuation expertise, allows him to identify high-performing investment opportunities tailored to his clients' financial objectives.

Known for his exceptional attention to detail and consultative communication style, Xavier consistently exceeds client expectations, fostering long-term partnerships built on trust and results. As he continues to expand his expertise and deliver value-driven solutions, Xavier remains a trusted advisor in the multifamily investment sector.
