

MICHAEL JENSEN

Executive Vice President

Michael began his commercial real estate career in January 2015, joining Kidder Mathews as a research analyst. In late 2015, he transitioned into brokerage, representing both tenants and landlords across the Bay Area. His focus is on the tech and biotech sectors, where he helps clients locate office, R&D, and lab space that meets their needs and contributes to their immediate and long term success. Prior to joining Kidder Mathews, Michael pursued a career in professional golf, playing tournaments across the United States, Canada and Europe.
