Joshua Joseph brings a wealth of native insight into the dynamic Los Angeles real estate market, leveraging this knowledge to empower his clients in their pursuit of value-add, sale-leaseback, and 1031 exchange opportunities.

With a robust background in project management and finance, Joshua excels in crafting bespoke strategies tailored to his clients' unique investment profiles. His extensive experience in driving projects from conception to fruition equips him to expertly navigate his clients through every step of the transaction process.

Joshua's diverse clientele spans from multi-state owner-user/operators to private investors seeking to capitalize on new investment prospects. Beyond his professional endeavors, he finds joy in traveling, exploring the ocean through scuba diving, experimenting with cooking, and soaking up the sun at the beach with his family.

EDUCATION

BS in finance and international business, California State University, Northridge
