*Jimmy Kim is a senior vice president at Kidder Mathews. Before joining the company, Jimmy held a leadership role at Evolution Investment Group, and his expertise lies in simplifying the complex world of commercial real estate for his clients.*

Jimmy possesses a deep understanding of the commercial real estate market, including the nuances of buying, selling, and leasing investment properties. He's assisted a diverse clientele, ranging from small businesses to large corporations. Jimmy tailors solutions to help clients achieve their unique real estate objectives, leveraging his extensive knowledge of the local market and staying current with industry trends.

Committed to delivering exceptional service, Jimmy has built a reputation for professionalism, integrity, and dedication. He recognizes that each client has distinct needs and objectives, and he tirelessly works to fulfill them. Jimmy's passion for commercial real estate shines through his work, and he's always eager to share his expertise with fellow industry professionals.
