Jack Kruger specializes in corporate real estate lease and purchase representation.

He spearheads the development of both short term and long term real estate strategies for his clients by leveraging deep market knowledge that is complimented with creativity and attentiveness to client's goals.

Over the course of the 28 years that Jack has been involved in commercial brokerage, he has personally negotiated and completed over 1,700 transactions exceeding \$1.6 billion in consideration.

EDUCATION

Jack has a Bachelor of Science degree in Urban & Regional Land Planning from USC, as well as a tennis athletic scholarship from USC and a Davix X Marks Scholastic Scholarship.
