

MICHAEL MONEMPOUR

Vice President

Upon graduating with a degree in real estate development from University of Southern California in 2014, Michael joined a financial services firm in Los Angeles, where he was exposed to wealth management and estate planning. Prior to joining Kidder Mathews, Michael began his career in real estate at the Charles Dunn Company and immediately made an impact. He was named Rookie of the Year companywide within his first 6 months of being in the business. Since then, he has been involved in a number of transactions as his sight is set on expanding his presence in the marketplace. His high energy approach and committed work ethic provides his clients with the highest possible satisfaction in achieving their objectives.

Michael is an apartment building specialist, as this is his sole focus. His area of expertise comprises of properties located in prime West Los Angeles, Beverly Hills & adjacent submarkets, Mar Vista, Palms and West Hollywood. Michael believes that having control of real estate is a prerequisite to having success in the industry. He is either directly involved or facilitates every step of his transactions. These duties include creating a thorough marketing plan, producing effective marketing materials, transaction coordination, procuring and qualifying buyers, keeping contracts air tight to protect his clients, overseeing due diligence period & property inspections, obtaining financing if necessary and ultimately closing escrow.

Michael is recognized for his honesty and willingness to ensure the job gets done. He has an integrity to improve his client's real estate position, while keeping the transaction as smooth as possible. Michael's clients are certain they can trust him, as a large percentage of his transactions include previous clientele.
