*Sean Moore is a seasoned senior property manager based in Kidder Mathews' South Seattle office.*

With over a decade of experience in commercial property management, Sean has demonstrated expertise in managing various property types, including industrial, flex, retail, and office buildings, amounting to over 6 million square feet.

Sean is known for his dedication and passion for his role. He excels in building strong relationships and fostering stability within his team. As a results-oriented team player, he is committed to facing professional challenges, fostering growth, and providing ongoing leadership. Sean's meticulous attention to detail and effective communication skills contribute to delivering exceptional outcomes in his management role.

One of Sean's key strengths is his drive to achieve client financial goals while prioritizing the highest level of customer service for his tenants. This approach aligns with his commitment to producing positive outcomes for both clients and tenants alike.
