Christopher Steck is a senior vice president and shareholder with Kidder Mathews in Los Angeles. His specialty within commercial real estate is a focus on properties within Greater Los Angeles and the surrounding submarkets. With over 17 years of experience and an extensive track record of successfully navigating office and industrial transactions in Los Angeles, his specialized expertise positions him as an industry leader in the commercial real estate landscape of Greater Los Angeles. He has a long track record of success in transaction management and applying value-add strategies to getting deals done with the highest return.

Chris is a CCIM designee, demonstrating a depth of proven experience and success in the field of commercial real estate.
