LIC N° 01476614

Eric Tse began his commercial real estate career in 2004 and has since become one of the most well recognized office / flex office brokers in South OC.

Eric has completed over 1,200 lease and sale transactions over his 19-year span. Over the past decade, Eric has also become a specialist in the medical commercial real estate industry in representing several large scale practices in today's highly competitive medical brokerage market. His work ethic and attention to detail drives his repeat success in representing landlords, tenants, and user buyers.
