

KEVIN VERGER

Vice President

Kevin is a vice president at Kidder Mathews, focusing exclusively on the sale of commercial and retail investment property throughout Washington State.

Within his specialization, he works with clients and requirements ranging from single-tenant net lease to shopping centers. With 11+ years of real estate experience, Kevin is passionate about mixing marketing and technology to allow for volume and additional efficiencies to take place within his business.

Additionally, he has been successful in sourcing talented individuals globally, to assist him in various departments including research, web development, and digital/traditional marketing.
