

DATA CENTER VALUATION & ADVISORY SERVICES

Kidder Mathews provides valuation and advisory services for specialized data center properties. Our experienced team of professionals can assist with the valuation and consulting needs with an expert understanding of the specialized nature of the data center market.

Our team has performed over 70 valuation assignments totaling more than 25 million SF of data center space throughout the U.S., serving a wide variety of clients including lenders, investors and developers.

KIDDER MATHEWS ADVANTAGE

Kidder Mathews is the largest independent full service commercial real estate firm on the West Coast. No other independent firm on the West Coast has more valuation professionals with the MAI designation. The firm offers a full range of appraisal, valuation and consulting services and specializes in investment-grade real estate with a widely diversified background in appraisal, market analysis and counseling for the development, acquisition, sale, leasing and financing of major urban real estate throughout the West Coast.
